

Home Inspection Punch List

Value
premium

Priority Actions

- 1. Define the goal clearly.
- 2. Capture the key decision.
- 3. Prioritize the most valuable move.
- 4. Finish with a check and reset.

Why It Converts

Reduce jobsite drift and lost time.

Keep safety, schedule, and scope on track.

Catch issues before they become liabilities.

Turn each field day into a clear win.

Premium Workflow

Step 1
Set the target outcome.

Step 2
Track the essentials only.

Step 3
Repeat with better speed.
